

Ranch Fire Broom Treatment Project: Site Photographs

Mendocino National Forest
Upper Lake and Grindstone Ranger Districts
2019

Broom plants Before and After the Ranch Fire

May 2017

May 2019

Most adult
broom
plants were
killed by the
Ranch Fire

Dead adult broom

Photo: June 2019

The fire stimulated
germination of thousands
of seedlings in the winter
of 2018-2019
